The abundance that is left over.

Truly this was the Prophet who is come into the world.

Jesus is doing things just like Moses in the wilderness.

It's not mana, but it to these people it might as well have been.

### **Don't force God!**

He is the unstoppable force and the Immoveable object

They saw Jesus as the Deuteronomy 18 prophet the Daniel 7 King

But they missed that He was the Isaiah 53 man of sorrows

He departed alone. Jesus took alone time. What makes you so important that you don't!

### **The "I" of the storm**

Disciples do what is natural they went fishing.

The Sea of Galilee is 6 miles wide and they had rowed 3 or 4 miles.

They are on there way to Capernaum. They have rowed to the middle of the sea.

A storm comes. A supernatural storm.

Jesus is walking on the water.

(NO MENTION OF PETER!)

Focus is to be on **Jesus** in this book!

THEOPHANY: When God shows up.

Note Jesus words, It is I!

Don't be afraid, JESUS!

Immediately they were at land where they were going!
