

Jeff & Deanne Davoll to Ecuador

Preaching Christ, Planting Churches, Preparing Christians

October 2024

Arise, and go down to the potter's house, and there I will cause thee to hear my words.
Jeremiah 18:2

Calvary Baptist Church, Covington, KY, Ignite Student Ministries presents a powerful drama to children at the Ballenita elementary school.

Perth Bible Church presents the gospel to more than 120 people from La Conexión & the Salinas Fire Department on our patio!

For the past 15 years, we have hosted more than 491 people on short term teams including 25 pastors from partnering churches. Each church team serves alongside La Conexión Peninsular & our Matthew 28 vision to Evangelize, Equip and Encourage others to do the same in their own culture and beyond. This year we were privileged to serve together with Ignite student ministries from Calvary Baptist Church, Covington, KY and with Perth Bible Church, Perth, NY. It is always a sweet time of fellowship together during devotions and debriefing at the end of the day. It is a joy to serve together with local partners here in Ecuador for the furtherance of the gospel. I must admit it is a great joy when my grand children, Taylor and Jackson, from Perth Bible church, jump into ministry and especially when they jump into our arms! So he doesn't feel left out, we are glad also to have their parents, Pastor Jordan and Amber. Some of the 491 who have come are a part of the TACTICA Ministries that serve in evangelism and training with our national police.

We welcomed two new grandsons into our family. Atlas James was born to Bethany, our oldest, on May 16. Atlas will capture your heart with his smile. Three months later to the day, his cousin arrived. Leo Elliot was born to our youngest, Lukas and his wife Julia, on August 16. Leo is always ready for a good snuggle. We are so blessed to have four grandchildren now. May they all grow to love and serve Jesus.

Atlas James

Leo Elliot

Thank you for standing behind us on bended knee!
