***The LORD hath appeared of old unto me, saying,  
Yea, I have loved thee with an everlasting love:  
therefore with lovingkindness have I drawn thee. Jeremiah 31:3***

God's amazing, everlasting love has drawn us. Have you received His precious gift? We would love to help you with this. Please give us a call; if we don't answer, please leave a message.

### ***Ministry***

Attendance at Valley Baptist has been 40-50, and sometimes more on a fairly regular basis. We **praise** the Lord for a great group of believers united in our faith in the Lord Jesus Christ.

Valley Baptist Church keeps active. We hosted our annual Valentine Banquet on February 13th, catered (for the first time because of the space needed) at our church rental building. It was a time of fun and fellowship. March 14th is our annual Family Big Game Banquet.

Shawn keeps busy with the work of the ministry. He was able to fill the pulpit in the morning and evening services on a Sunday in Pastor Matt's absence. He shares weekly Wednesday night Psalm devotionals as well as the monthly men's breakfast devotionals. **Praise** the Lord for working through him! He is presently serving as church treasurer, so he had the privilege of preparing a treasurer's report for the annual business meeting.

Valerie continues with teaching Sunday School, playing piano, and her other weekly ministry opportunities such as playing piano during the noon meal on Thursdays at the nursing home, helping a lady improve her English, reading the Bible with an unsaved lady, etc.

### ***Family***

Joanna recently had oral surgery and came through it well, **praise** the Lord! Please **pray** for continued healing. Her job is going well. Joanna recently joined our church.

Joshua is adjusting well in his new job and working toward a promotion. He still leads singing at church and recently gave the devotional at the monthly nursing home service.

Josiah and Sabrina are doing well in spite of the recent extreme cold and still serve in their local church. Shiloh is so adorable as she tries to communicate. We enjoy pictures and videos.

**Thank you for praying for this ministry!**

Your fellow servants,
