Mac's Prayer Partners

“Brethren, Pray for us.”

Dear Prayer Partners,

“In everything give thanks.” (1 Thess. 5:18)

Ethel and I are so deeply grateful for each of our *Prayer Partners* and for the many prayers and gifts you send our way. You are such a blessing to us, and we are thankful for you. These have been a couple of tough months, but God has been with us every step of the way.

We are thankful for a neuro otologist – A neuro otologist is a doctor who specializes in hearing loss issues. Roger's case is borderline and it is not yet clear if a Cochlear implant would help. More testing is scheduled for early January.

We are thankful that God's grace is sufficient – These old bodies don't work like they used to but thank God he is still by our sides through the trials of life. Roger has been battling his fourth case of bronchitis as well as a case of shingles. Ethel had major dental surgery but is recovering well.

We are thankful for family – Roger's sons and their spouses both visited us from Indiana and Texas. Ethel's family has grown to nearly fifty with two more on the way. Many of us will gather together for a Thanksgiving meal. Come join us if you can.

We are thankful that we can still teach – It is a great joy to be able to open the Word of God on a weekly basis to twenty-five to thirty Seniors. Many of them have walked with the Lord for decades. Several others were missionaries, pastors or full-time servants of the Lord.

We are thankful for the Savior – Not only did he die in our place, but he provided us with an eternal home forever. We've lost a couple of our class members recently and another is getting ready to meet his Savior. Thank you for being a part of our ministry all these years.

We wish you all a Happy Thanksgiving, a Merry Christmas, and a Wonderful New Year.

Your servants in Christ,

Roger and Ethel Mc
