

Hi Darlene,

In this month's newsletter, we're excited to spotlight two of our incredible volunteers—Becky and Heather!

Becky, a former staff member at Life Choices Center, now works for an agency that supports adults with developmental disabilities. Once a week, she and Heather come to the Center to assist with office tasks and help sort change from our *Change for Life* baby bottle fundraiser.

Volunteers like Becky and Heather are essential to the mission of Life Choices Center. Their positivity, dedication, and willingness to serve not only inspire our team, but also directly support the life-changing work we do every day. We are incredibly grateful for the many ways our volunteers help advance our mission of serving men and women before, during,

and after unplanned pregnancies. We truly couldn't do what we do without the support of our amazing volunteers!

Heather brings her own unique skills and contagious enthusiasm to everything she does. She and Becky volunteer regularly in the community, building confidence, life skills, and meaningful social connections. By serving in this way, individuals like Heather not only grow in a sense of value, pride, and accomplishment, but also gain valuable skills while making a real impact. We're so grateful they've chosen to share their time and talents with us. Heather's presence at the Center not only brightens our day but also brings energy, care, and a strong sense of purpose to the mission. Her contributions play a meaningful role in helping us serve others with excellence and compassion.

When asked what she enjoys most about volunteering, Heather shared, *"I like helping and volunteering. It gives me a sense of feeling like I'm doing something good for the community. It makes me feel awesome, and it makes me feel like I'm learning something that's giving me job skills."*

We love seeing our volunteers thrive as they use their gifts to serve others and make an eternal impact. Interested in using your unique skills to make a difference? We'd love to have you on our volunteer team! Email info@lifechoicescenter.org to learn about the many ways you can serve. Whether you have just an hour a week or a full day to give, we have a place for you to use your God-given gifts to serve others and make an impact on your community.

Praise and Prayer

Praise God

- For the safe arrival of new babies recently born to clients, and a successful adoption story!
- For our amazing team of volunteers who sacrificially and lovingly give their time and talents to serve here at the Center
- For recent community collaborations resulting in more abortion-minded women coming to us for help.
- For His transformational work in the lives of the men and women who come to us in crisis.
- For His abundant provisions and our faithful donors that continually meet the needs of the mission.

Pray

- For the abortion-minded women and men we are in conversation with to recognize the value of the precious lives they are carrying.
- For more volunteers to help meet the needs of all those God brings to us.

Thank you for being an essential part of this mission to provide HELP and HOPE and make a lasting difference in the lives of those facing unplanned pregnancies!

With gratitude,
